

INTER-CFAR SUBSTANCE USE RESEARCH COMMUNITY (I-SURC)

Early Career Investigator
Opportunities

Grant Application Feedback Opportunity

We have opened up a limited number of grant application feedback opportunities.

Who is eligible?

CFAR-affiliated early career investigators who have never received R01 funding and are submitting for a K-series or first R-series award.

Early Stage Investigator Spotlight Seminar Series

We aim to provide a platform for early stage investigators to disseminate their work to a national audience of CFAR investigators with specific interests in the intersection of HIV and substance use.

Who is eligible?

CFAR-affiliated early career investigators (post-doctoral fellow or faculty with <5 years at Assistant Professor level) presenting work that has either not been published or was published <1 year ago.
