

# SAVE THE DATE

XXXI INTERNATIONAL WORKSHOP ON HIV DRUG  
RESISTANCE AND TREATMENT STRATEGIES

9 - 11 April 2025 • Cape Town, South Africa

## SAVE THE DATES FOR THE 31<sup>ST</sup> INTERNATIONAL WORKSHOP ON HIV DRUG RESISTANCE AND TREATMENT STRATEGIES: 9 to 11 April 2025. Lord Charles Hotel, Cape Town, South Africa.

The International Workshop on HIV Drug Resistance and Treatment Strategies showcases the latest research and developments in antiretroviral drug resistance and treatment strategies and is a must for all HIV care providers, researchers and investigators.

Over the course of three days, leading experts will present and discuss the latest data and research on transmitted drug resistance and spread, prevention-related resistance, treatment-related resistance and advances in treatment strategies.

### ABSTRACT SUBMISSIONS OPEN THURSDAY, 1 AUGUST 2024

**Submit your abstract for oral or poster presentation** at the International Workshop on HIV Drug Resistance & Treatment Strategies - **the premier forum addressing the continuous challenge of resistance to antiretrovirals globally.**

#### CONFERENCE FOCUS AREAS:

- Clinical implications of resistance on treatment strategies
- PrEP and resistance
- Resistance in infants, children and adolescents
- New treatment strategies and antiretrovirals
- Epidemiology of resistance
- Modelling of resistance and impact on treatment strategies
- Mechanisms of resistance
- New resistance technologies and interpretations
- Clinical cases
